Ride Etiquette

For the safety & enjoyment of all 'Ride4Dreams' participants, the following etiquette standards are required by all riders participating in the event. When riding, please consider the following:

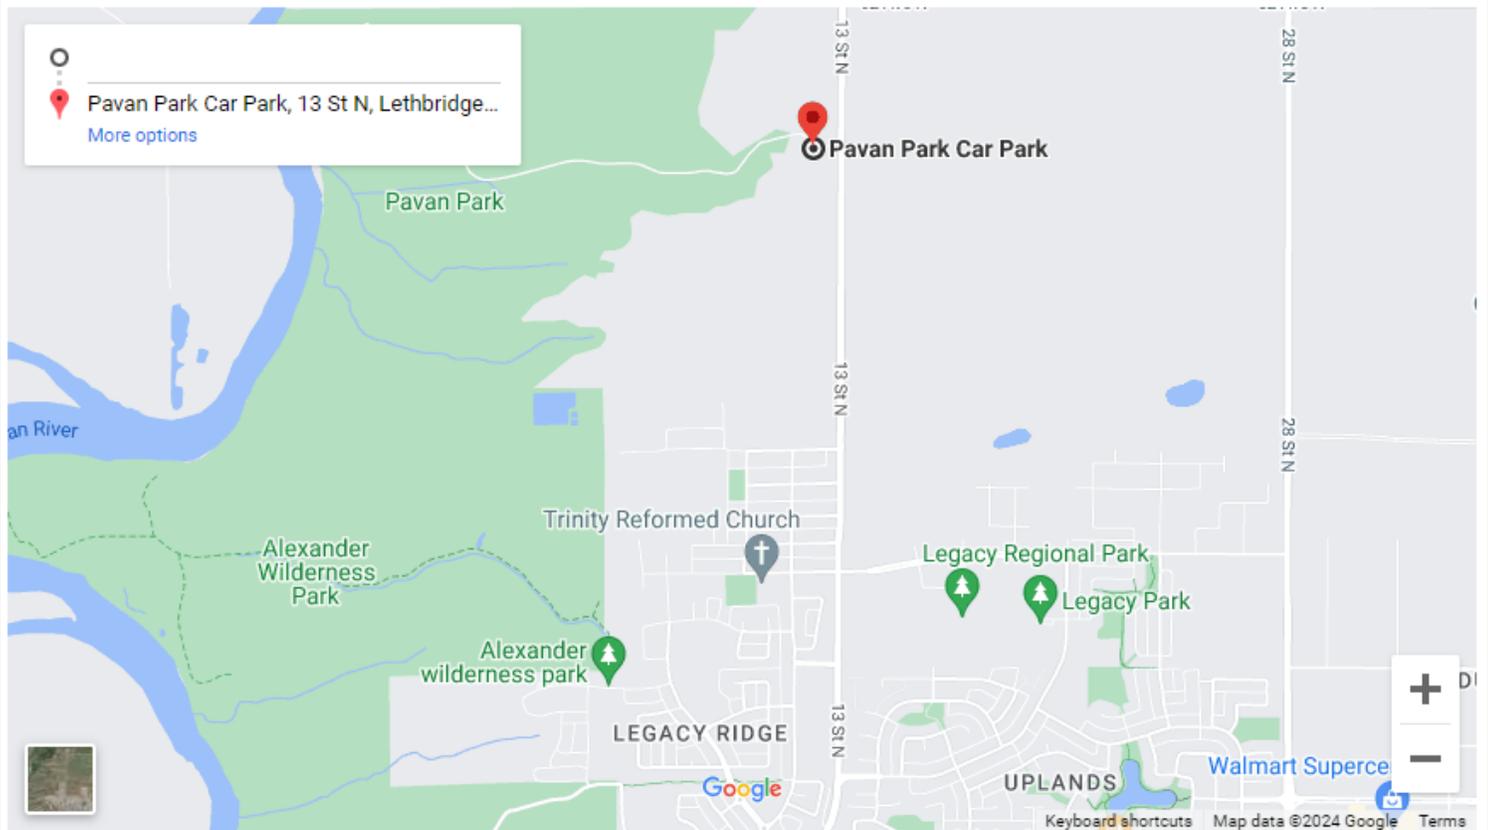

- Due to the nature of this approximately 3-hour large group ride, please ensure your horse is trained, conditioned, and accustomed to settings that may include wildlife, dogs, and hikers. ***To accommodate all rider levels, it is crucial for the safety of all participants that green or unmanageable animals are not brought to this event.***
- If your horse tends to kick out at other horses, please tie a red ribbon into the tail to advise other riders not to get too close.
- Obey all directions and suggestions of the trail boss. Additionally, do not pass the trail boss.
- Respect the park and keep to the trail.
- City Park rules require all dogs to be leashed. However, for the safety of all riders at this event we ask that dogs are not brought.
- Trotting, galloping or quickly passing other riders may upset other mounts - please pass other riders with caution and respect.
- Always keep control of your horse - do not allow your horse to nuzzle, scratch, threaten, or run up on other horses.

Riders not following these guidelines may be asked to return to the staging area.
