

1. Horse Intake

To be completed by the horse owner.

Thank you for offering your horse to our therapeutic program. This is a full and comprehensive questionnaire, which is the initial stage to help us determine if a horse may be suitable. Potential horses are then brought to our facility for a trial period to assess their fit within our therapeutic programs. Please take the time to complete this questionnaire to the best of your knowledge.

Yes, I have a horse that I would like to offer to LTRA's therapeutic program.
