

We here at the Lethbridge Therapeutic Riding Association would like to introduce you to Anna.

Anna was born prematurely at 26 weeks. Just 3 days after birth, she suffered a very severe brain bleed, which left her with a diagnosis of cerebral palsy. She came to LTRA when she was only 4 years old.

Her right side is much weaker than her left, and both legs are affected. There aren't many activities or therapies that Anna can participate in other than traditional physiotherapy.

Anna has an older brother who is involved in several activities, and it's been important to Anna and her family that Anna has her "sport" that's just for her; an activity that's fun and is something she looks forward to and gets to talk about every week.

Anna has been showing improvements with her right hand since starting at LTRA. Initially she couldn't hold on at all but now she holds on, and for short periods she can hold the reins and is learning to steer.

She is able to use her hand more for other things as well, and this is just one of the many benefits of therapeutic horseback riding for Anna

To help Anna, and many other riders, The LTRA is planning its 20th annual Charity Golf Tournament - Drive for Dreams - and is inviting you and (if possible) a team of your friends and/or co-workers to participate. This event, at Henderson Golf Club on Wednesday, June 19th, is for golfers of all skill levels and is meant to be a day of fun and camaraderie.

Please fill out the registration form, and send it back. Your help is crucial in helping us maintain the therapeutic riding classes that are so necessary to the physical and spiritual well-being of those with disabilities. The LTRA receives no government funding to meet an annual operating budget in excess of \$350,000. We therefore rely heavily on direct community support, private donations and fundraising events such as the Drive for Dreams.

If you have any questions please contact Marj Tomomitsu, Office Manager, or Tony Deys, Executive Director, at 403 328-2165. Or email us at office@ltra.ca – we'll be more than happy to assist you!

Sincerely,

Tony Deys
